

# The Whizz Neo 21.5"

**Smart self-service.  
Minimal footprint.**

*Whizz*

## **A compact self-service kiosk built for speed and efficiency**

Designed for locations where space is at a premium, the Whizz Neo 21.5" delivers powerful self-service functionality in a streamlined format. Its sharp 21.5" touchscreen, combined with intelligent software integration, enables fast transactions, smooth user journeys, and reliable performance – all while keeping floorspace clear and uncluttered.

## Complete self-service control

Users manage every interaction themselves – from scanning tickets to making payments and collecting outputs.

## Compact by design

A smaller screen format makes the 21.5" ideal for tighter spaces without sacrificing capability.

## Supports all payment types

Handles contactless, card, and cash deposits and payouts with ease.

## Crisp, engaging display

The 21.5" FHD screen delivers clear visuals and responsive touch interaction.

## Instant ticket validation

Built-in barcode scanning verifies both paper and digital betting slips in real time.

## Seamless account connectivity

Integrates directly with online gaming accounts for fast, frictionless transactions.

## Customisable to your brand

Available in bespoke colours, with optional LED lighting to enhance visibility.

## Voucher functionality

Supports the purchase and redemption of prepaid vouchers.
